

# GAME Annual Conference – November 3-5, 2017

## *Managing Georgia's Ecotones: where the land and water connect*

### Call for Proposals for Concurrent Sessions

St. Simons Island, Georgia

This year's conference will focus on the transition zones of Georgia's coast and how we manage the land and water for the plants and animals that live there. Please consider submitting a presentation that supports the theme of Georgia ecotones and aquatic education.
